Recycling

We recycle the following items for FREE:

Oil

Batteries (**car only**)

PLASTICS: NECK MUST BE SMALLER THAN THE BASE

Aluminum

Newspaper

Mixed Paper

Cardboard

How to prepare your recyclables:

All metal and plastic must be rinsed and cleaned of all food residue. Papers and newspapers must be folded in a pile for easy pick up. Cardboard boxes should be flattened and stacked. Oil must be placed in a leak proof plastic container.

Recycle - it works!
